GENERAL MANAGER
John M. Peterson

The Clark Regional Wastewater District is seeking an Operations Manager.

This is a management position directing the operations and maintenance functions of the District, including the collection system, campus and fleet. Qualified candidates must have a degree in construction management, civil engineering or related field. They will have 8 years of progressive responsibility in operations, including sewer collection system maintenance and 3 years of supervisory experience within a related field. They will be comfortable working with maintenance staff in the field, as well as presenting items to the Board of Commissioners. Salary typically starts at \$6,284 a month depending on experience. Please review the entire position description and submission process on www.crwwd.com. You can e-mail completed materials to OMJob@crwwd.com, or mail to: Human Resources, Operations Manager Position, Clark Regional Wastewater District, PO Box 8979 Vancouver, WA. 98668. **This recruitment will close when filled.** CRWWD offers a very comprehensive benefits package and is an Equal Opportunity Employer and Drug-Free Workplace.
