

Notice of Employment

Job Title: GIS Engineering Technician

Hiring Range: \$32.81 - \$44.29 DOE (Jan 1, 2020 Pay Rate)

Covington Water District has an opening in our Engineering Department for a GIS Engineering Technician. Will be responsible for activities related to design, development and maintenance of the District's Geographical Information System (GIS). Position responsibilities will include mobile to office workflow development as well as moderately complex GIS programming with other applications.

Education/Experience: 0 to 5 years of experience in a utility environment with GIS software and applications particularly ESRI software packages. Successful completion of two (2) year course in GIS technology at a community college, civil engineering, cartography or vocational institute, which included courses in GIS mapping and programming. Possess and maintain valid Washington State Driver's License.

Benefits: The District offers a full benefits package to include paid time off (vacation, sick and holidays), full family health insurance paid 100% by the District, State of Washington PERS retirement program, Disability, Life, EAP, HRA VEBA, and tuition assistance.

Application Information: Individuals interested in applying for this position must submit online @ www.covingtonwater.com a completed District Application with cover letter no later than January 3, 2020 @ 5:00 PM. First review of resumes will be January 6, 2020. Resumes will not be accepted without a completed application and cover letter.

Covington Water District is an Equal Opportunity Employer.
